CCS Information Notice: 19-03

TO: All County California Children's Services Administrators

SUBJECT: California Children's Services Fiscal Year 2019-20 California Children's Diagnostic, Treatment, and Vended Therapy; Optional Targeted Low-Income Children's Program; California Children's Services Dental; and Medical Therapy Program Therapy Funding Certifications

The purpose of this Information Notice (I.N.) is to request counties to submit their fiscal year (FY) 2019-20 certification of county funds for California Children's Services (CCS) diagnostic, treatment, and vended therapy; optional targeted low-income children's program; dental; and Medical Therapy Program (MTP).

In accordance with Health and Safety Code Section 123940, each county is required to appropriate a sum of money for its share of diagnosis, treatment, and therapy services for children enrolled in the CCS program. In order to ensure that counties have allocated these funds, the Department of Health Care Services requests counties to complete the enclosed CCS Certification of County Appropriation form and return the copy with the original wet signature to the address shown on the bottom of the form by August 9, 2019.

Revised Enhanced Federal Medical Assistance Percentage for Children's Health Insurance Program (from 10/01/2019 through 09/30/2020):

The revised Children's Health Insurance Program (CHIP) Enhanced Federal Medical Assistance Program (eFMAP) rate for California from October 1, 2019, through September 30, 2020, will be 76.5 percent. This will increase the county share of cost for CCS diagnosis and treatment services for the Optional Targeted Low-Income Children's Program Medi-Cal caseload from 6 percent to 11.75 percent effective October 1, 2019.
